

# DIYAA Computer Listening Curriculum Content (Grade 1 to Grade 5)

This document contains production-ready Computer listening game content for DIYAA. Each grade contains curriculum-based listening levels with interactive gameplay, narration-based questions, shuffled options, drag/drop activities, and beginner to advanced progression.

## Grade 1 - Computer Listening Levels

### Level 1: Introduction to Computer

**Gameplay Type:** Listen & Tap / Drag & Drop / Basket Catch / Mission Collect

Narration plays → options shuffle → student selects correct answer → correct.mp3 or wrong.mp3 feedback plays.

| Narration / Question                     | Options                       | Correct Answer |
|------------------------------------------|-------------------------------|----------------|
| Which machine is called a smart machine? | Computer, Chair, Bottle, Fan  | Computer       |
| Choose the electronic machine.           | Computer, Book, Pencil, Table | Computer       |
| Tap the smart machine.                   | Computer, Bag, Tree, Bus      | Computer       |

#### DIYAA Listening Rules:

- PK-English narration voice
- Word highlighting during narration
- Options shuffled every round
- right.mp3 and wrong.mp3 feedback
- Hearts/lives system enabled
- Coins and stars reward system
- Curriculum-based progression

### Level 2: Parts of Computer

**Gameplay Type:** Listen & Tap / Drag & Drop / Basket Catch / Mission Collect

Narration plays → options shuffle → student selects correct answer → correct.mp3 or wrong.mp3 feedback plays.

| Narration / Question                 | Options                             | Correct Answer |
|--------------------------------------|-------------------------------------|----------------|
| Which part shows pictures on screen? | Monitor, Mouse, Keyboard, CPU       | Monitor        |
| Which part is used for typing?       | Keyboard, Monitor, Speaker, Printer | Keyboard       |
| Catch the mouse device.              | Mouse, Book, Pen, Bottle            | Mouse          |

#### DIYAA Listening Rules:

- PK-English narration voice
- Word highlighting during narration
- Options shuffled every round
- right.mp3 and wrong.mp3 feedback
- Hearts/lives system enabled
- Coins and stars reward system
- Curriculum-based progression

## Level 3: Computer Handling

**Gameplay Type:** Listen & Tap / Drag & Drop / Basket Catch / Mission Collect

Narration plays → options shuffle → student selects correct answer → correct.mp3 or wrong.mp3 feedback plays.

| Narration / Question            | Options                                                   | Correct Answer |
|---------------------------------|-----------------------------------------------------------|----------------|
| What should we avoid touching?  | Wires, Keyboard, Monitor, Mouse                           | Wires          |
| Choose the safe computer habit. | Sit properly, Pull wires, Hit keyboard, Throw mouse       | Sit properly   |
| Tap the correct computer rule.  | Clean hands, Wet hands, Food near computer, Clean monitor | Clean hands    |

### DIYAA Listening Rules:

- PK-English narration voice
- Word highlighting during narration
- Options shuffled every round
- right.mp3 and wrong.mp3 feedback
- Hearts/lives system enabled
- Coins and stars reward system
- Curriculum-based progression

# Grade 2 - Computer Listening Levels

## Level 1: Computer Basics

**Gameplay Type:** Listen & Tap / Drag & Drop / Basket Catch / Mission Collect

Narration plays → options shuffle → student selects correct answer → correct.mp3 or wrong.mp3 feedback plays.

| Narration / Question                        | Options                           | Correct Answer |
|---------------------------------------------|-----------------------------------|----------------|
| Which part is called the brain of computer? | CPU, Mouse, Speaker, Printer      | CPU            |
| Choose the pointing device.                 | Mouse, Keyboard, Monitor, Scanner | Mouse          |
| Tap the typing device.                      | Keyboard, Monitor, Printer, CPU   | Keyboard       |

### DIYAA Listening Rules:

- PK-English narration voice
- Word highlighting during narration
- Options shuffled every round
- right.mp3 and wrong.mp3 feedback
- Hearts/lives system enabled
- Coins and stars reward system
- Curriculum-based progression

## Level 2: Mouse Actions

**Gameplay Type:** Listen & Tap / Drag & Drop / Basket Catch / Mission Collect

Narration plays → options shuffle → student selects correct answer → correct.mp3 or wrong.mp3 feedback plays.

| Narration / Question                     | Options                                 | Correct Answer |
|------------------------------------------|-----------------------------------------|----------------|
| Which action opens a file quickly?       | Double Click, Right Click, Drag, Scroll | Double Click   |
| Choose the action used for moving items. | Drag and Drop, Typing, Printing, Saving | Drag and Drop  |
| Catch the single click action.           | Single Click, Typing, Scanning, Drawing | Single Click   |

### DIYAA Listening Rules:

- PK-English narration voice
- Word highlighting during narration
- Options shuffled every round
- right.mp3 and wrong.mp3 feedback
- Hearts/lives system enabled
- Coins and stars reward system
- Curriculum-based progression

## Level 3: Drawing Tools

**Gameplay Type:** Listen & Tap / Drag & Drop / Basket Catch / Mission Collect

Narration plays → options shuffle → student selects correct answer → correct.mp3 or wrong.mp3 feedback plays.

| Narration / Question             | Options                           | Correct Answer |
|----------------------------------|-----------------------------------|----------------|
| Which tool is used for coloring? | Fill Color, Eraser, Pencil, Shape | Fill Color     |

|                          |                                    |        |
|--------------------------|------------------------------------|--------|
| Choose the drawing tool. | Pencil, Speaker, Printer, Keyboard | Pencil |
| Tap the shape tool.      | Shapes, Mouse, Folder, Cable       | Shapes |

**DIYAA Listening Rules:**

- PK-English narration voice
- Word highlighting during narration
- Options shuffled every round
- right.mp3 and wrong.mp3 feedback
- Hearts/lives system enabled
- Coins and stars reward system
- Curriculum-based progression

# Grade 3 - Computer Listening Levels

## Level 1: Keyboard Keys

**Gameplay Type:** Listen & Tap / Drag & Drop / Basket Catch / Mission Collect

Narration plays → options shuffle → student selects correct answer → correct.mp3 or wrong.mp3 feedback plays.

| Narration / Question                      | Options                                                   | Correct Answer |
|-------------------------------------------|-----------------------------------------------------------|----------------|
| Which key gives space between words?      | Spacebar, Enter, Backspace, Shift                         | Spacebar       |
| Choose the key used for deleting letters. | Backspace, Enter, Ctrl, Alt                               | Backspace      |
| Tap the alphabet keys.                    | Alphabet Keys, Arrow Keys, Function Keys, Number Pad Keys | Alphabet Keys  |

### DIYAA Listening Rules:

- PK-English narration voice
- Word highlighting during narration
- Options shuffled every round
- right.mp3 and wrong.mp3 feedback
- Hearts/lives system enabled
- Coins and stars reward system
- Curriculum-based progression

## Level 2: Uses of Computers

**Gameplay Type:** Listen & Tap / Drag & Drop / Basket Catch / Mission Collect

Narration plays → options shuffle → student selects correct answer → correct.mp3 or wrong.mp3 feedback plays.

| Narration / Question                                    | Options                          | Correct Answer |
|---------------------------------------------------------|----------------------------------|----------------|
| Where are computers used for learning?                  | School, Tree, River, Park        | School         |
| Choose the place where computers are used for shopping. | Shops, Mountains, Forests, Roads | Shops          |
| Catch the place using computers.                        | Hospital, Desert, Farm, Sea      | Hospital       |

### DIYAA Listening Rules:

- PK-English narration voice
- Word highlighting during narration
- Options shuffled every round
- right.mp3 and wrong.mp3 feedback
- Hearts/lives system enabled
- Coins and stars reward system
- Curriculum-based progression

## Level 3: MS Paint

**Gameplay Type:** Listen & Tap / Drag & Drop / Basket Catch / Mission Collect

Narration plays → options shuffle → student selects correct answer → correct.mp3 or wrong.mp3 feedback plays.

| Narration / Question         | Options                     | Correct Answer |
|------------------------------|-----------------------------|----------------|
| Which tool removes mistakes? | Eraser, Brush, Fill, Shapes | Eraser         |

|                                    |                                |        |
|------------------------------------|--------------------------------|--------|
| Choose the tool for drawing lines. | Pencil, Speaker, Folder, Cable | Pencil |
| Tap the shape drawing tool.        | Shapes, Monitor, Keyboard, CPU | Shapes |

**DIYAA Listening Rules:**

- PK-English narration voice
- Word highlighting during narration
- Options shuffled every round
- right.mp3 and wrong.mp3 feedback
- Hearts/lives system enabled
- Coins and stars reward system
- Curriculum-based progression

# Grade 4 - Computer Listening Levels

## Level 1: Input and Output Devices

**Gameplay Type:** Listen & Tap / Drag & Drop / Basket Catch / Mission Collect

Narration plays → options shuffle → student selects correct answer → correct.mp3 or wrong.mp3 feedback plays.

| Narration / Question       | Options                               | Correct Answer |
|----------------------------|---------------------------------------|----------------|
| Which device gives output? | Monitor, Keyboard, Mouse, Scanner     | Monitor        |
| Choose the input device.   | Keyboard, Speaker, Printer, Projector | Keyboard       |
| Catch the output device.   | Printer, Mouse, Scanner, Joystick     | Printer        |

### DIYAA Listening Rules:

- PK-English narration voice
- Word highlighting during narration
- Options shuffled every round
- right.mp3 and wrong.mp3 feedback
- Hearts/lives system enabled
- Coins and stars reward system
- Curriculum-based progression

## Level 2: Windows Basics

**Gameplay Type:** Listen & Tap / Drag & Drop / Basket Catch / Mission Collect

Narration plays → options shuffle → student selects correct answer → correct.mp3 or wrong.mp3 feedback plays.

| Narration / Question              | Options                           | Correct Answer |
|-----------------------------------|-----------------------------------|----------------|
| Which area contains app icons?    | Desktop, Keyboard, CPU, Mouse     | Desktop        |
| Choose the bottom bar of Windows. | Taskbar, Toolbar, Browser, Folder | Taskbar        |
| Tap the desktop icon.             | Icon, Speaker, Wire, Cable        | Icon           |

### DIYAA Listening Rules:

- PK-English narration voice
- Word highlighting during narration
- Options shuffled every round
- right.mp3 and wrong.mp3 feedback
- Hearts/lives system enabled
- Coins and stars reward system
- Curriculum-based progression

## Level 3: Programming Logic

**Gameplay Type:** Listen & Tap / Drag & Drop / Basket Catch / Mission Collect

Narration plays → options shuffle → student selects correct answer → correct.mp3 or wrong.mp3 feedback plays.

| Narration / Question                    | Options                      | Correct Answer |
|-----------------------------------------|------------------------------|----------------|
| Which command moves the turtle forward? | Forward, Stop, Delete, Erase | Forward        |

|                              |                                     |              |
|------------------------------|-------------------------------------|--------------|
| Choose the logical step.     | Step-by-step, Random, Messy, Broken | Step-by-step |
| Catch the direction command. | Left, Paint, Folder, Keyboard       | Left         |

**DIYAA Listening Rules:**

- PK-English narration voice
- Word highlighting during narration
- Options shuffled every round
- right.mp3 and wrong.mp3 feedback
- Hearts/lives system enabled
- Coins and stars reward system
- Curriculum-based progression

# Grade 5 - Computer Listening Levels

## Level 1: MS Word

**Gameplay Type:** Listen & Tap / Drag & Drop / Basket Catch / Mission Collect

Narration plays → options shuffle → student selects correct answer → correct.mp3 or wrong.mp3 feedback plays.

| Narration / Question              | Options                                | Correct Answer |
|-----------------------------------|----------------------------------------|----------------|
| Which feature changes text style? | Formatting, Battery, Folder, Cable     | Formatting     |
| Choose the tool used for tables.  | Table Tool, Paint Tool, Speaker, Mouse | Table Tool     |
| Tap the header feature.           | Header, Cable, Wire, Monitor           | Header         |

### DIYAA Listening Rules:

- PK-English narration voice
- Word highlighting during narration
- Options shuffled every round
- right.mp3 and wrong.mp3 feedback
- Hearts/lives system enabled
- Coins and stars reward system
- Curriculum-based progression

## Level 2: MS Excel

**Gameplay Type:** Listen & Tap / Drag & Drop / Basket Catch / Mission Collect

Narration plays → options shuffle → student selects correct answer → correct.mp3 or wrong.mp3 feedback plays.

| Narration / Question        | Options                         | Correct Answer |
|-----------------------------|---------------------------------|----------------|
| Which formula adds numbers? | SUM, SAVE, OPEN, PRINT          | SUM            |
| Choose the average formula. | AVERAGE, DELETE, CUT, COPY      | AVERAGE        |
| Catch the chart feature.    | Charts, Brush, Keyboard, Folder | Charts         |

### DIYAA Listening Rules:

- PK-English narration voice
- Word highlighting during narration
- Options shuffled every round
- right.mp3 and wrong.mp3 feedback
- Hearts/lives system enabled
- Coins and stars reward system
- Curriculum-based progression

## Level 3: Cyber Safety

**Gameplay Type:** Listen & Tap / Drag & Drop / Basket Catch / Mission Collect

Narration plays → options shuffle → student selects correct answer → correct.mp3 or wrong.mp3 feedback plays.

| Narration / Question              | Options                    | Correct Answer |
|-----------------------------------|----------------------------|----------------|
| Should we share passwords online? | No, Yes, Always, Sometimes | No             |

|                                  |                                                                         |                                                                         |
|----------------------------------|-------------------------------------------------------------------------|-------------------------------------------------------------------------|
| Choose the safe online behavior. | Use strong passwords, Share private data, Open safe links, Ignore       | Use strong passwords, Ignore                                            |
| Tap the safe internet habit.     | Ask parents before downloading, Download everything, Share passwords, A | Ask parents before downloading, Download everything, Share passwords, A |

**DIYAA Listening Rules:**

- PK-English narration voice
- Word highlighting during narration
- Options shuffled every round
- right.mp3 and wrong.mp3 feedback
- Hearts/lives system enabled
- Coins and stars reward system
- Curriculum-based progression
